The Pembroke Pines Police Department recognized the value of License Plate Reader (LPR) technology early on and has successfully utilized LPR technology to enhance public safety over time. The current use of mobile LPR systems has been greatly beneficial in proactive police work, investigations, and missing person recovery. The inclusion of the fixed LPR system at areas of ingress/egress to the city allow for real-time alerting of known wanted vehicles. This includes stolen vehicles, vehicles involved in felonies, vehicles thought to be carrying missing persons such as those with Alzheimer's or dementia, etc. The return benefits on the use of this technology has already proven to be very high in terms of recovering property, safely locating endangered people, and reducing/solving crimes.
