12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Identifying criminal vehicles entering/exiting communities, and general monitoring of municipal boundaries and target areas within the City of Jacksonville Beach in order to aid in investigations, provide evidentiary value, apprehend criminals, and assist in prosecution.

b. What activities and services will be provided to meet the intended purpose of these funds?

Identifying criminal vehicles entering/exiting communities, and general monitoring of municipal boundaries and target areas within the City of Jacksonville Beach in order to aid in investigations, provide evidentiary value, apprehend criminals, and assist in prosecution.

c. What direct services will be provided to citizens by the appropriation project?

Mitigation of criminal activities within the City of Jacksonville Beach.

d. Who is the target population served by this project? How many individuals are expected to be served?

Residents of the City of Jacksonville Beach (population 23,387), visitors from surrounding municipalities, and tourists from other cities, states, and countries (approximately 100,000 during special events and/or peak seasons).

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Mitigation of criminal activities within the City of Jacksonville Beach which will be measured by the solving of investigations, apprehension of criminals, and prosecution of defendants.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

None (in addition to the standard penalties).
