12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Provide a signalized pedestrian and bicycle crossing that will connect the northern and southern pedestrian pathway systems across one of the village's busiest roads, Okeechobee Boulevard.

b. What activities and services will be provided to meet the intended purpose of these funds?

Construction of the pathway extension and signalized pedestrian crossings.

c. What direct services will be provided to citizens by the appropriation project?

Provide a safe and convenient crossing of one of the busiest roads in the village. The crossing would connect the northern and southern ends of a main component of the village's pedestrian pathway system.

d. Who is the target population served by this project? How many individuals are expected to be served?

All residents and visitors to the Village of Royal Palm Beach; more than 800 people.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Provide a safe, signalized crossing where typically pedestrians resort to jay-walking. Increase the use of the pedestrian pathway system over motorized transportation.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Bar contractor from bidding projects in the village for 5 years.
