Construction/Renovation/Land/Planning Engineering	Purchase and installation of 8 backup generators	500,000
<b>Total State Funds Requested (must equal total from question #6)</b>		<b>500,000</b>

**12. Program Performance**

**a. What specific purpose or goal will be achieved by the funds requested?**

This project seeks to ensure that these Leon County facilities are operable and/or can be utilized in the event of severe winds, flooding, and/or loss of main electrical power. This project will ensure that these facilities, which are located in all areas of the community, including urbanized areas as well as outlying rural areas, can be used as comfort stations, points of distribution for water and supplies, logistical staging areas, or for other uses as described in the county's Comprehensive Emergency Management Plan.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

This project will ensure that these facilities, which are located in all areas of the community, including urbanized areas as well as outlying rural areas, can be used as comfort stations, points of distribution for water and supplies, logistical staging areas, or for other uses as described in the county's Comprehensive Emergency Management Plan.

**c. What direct services will be provided to citizens by the appropriation project?**

Following future disasters, this project will allow the county to utilize these facilities to allow citizens without electrical service to cool off, charge mobile devices, and receive assistance during the recovery.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

This project will benefit all residents and potential evacuees to Leon County.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

This project will facilitate the expanded use of eight Leon County government facilities to support Leon County's emergency response efforts following a disaster. Measured by conducting an updated vulnerability analysis for the community, as identified in the Leon County Comprehensive Emergency Management Plan and the Tallahassee-Leon County Hazard Mitigation Plan.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties**
