12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Capital construction, improvements, or the purchase of equipment that will result in expanded employment opportunities.

b. What activities and services will be provided to meet the intended purpose of these funds?

The capital projects that will be funded by the appropriation will be creating jobs in communities across the state.

c. What direct services will be provided to citizens by the appropriation project?

The Florida Goodwill Association (FGA) is comprised of nine autonomous Goodwill agencies, each serving the people of a multi-county region. The FGA advocates for services to meet the needs of people with barriers to employment while concurrently strengthening families and communities. FGA strives to enhance the dignity and quality of life of individuals by helping people reach their full potential through education, skills training, and the power of work.

d. Who is the target population served by this project? How many individuals are expected to be served?

The FGA serves the elderly, persons with poor physical health, the jobless, the economically disadvantaged, the homeless, the developmentally disabled, the physically disabled, students, formerly incarcerated persons, veterans, and others.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The creation of jobs and the ability to serve and help a diverse clientele as listed in 12 (d.). The outcomes will be measured by the number of persons served and the number of jobs created.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Return of state funds.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.
