12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Rehabilitation of the three (3) water wells and well houses. Please see the attached Potable Water Background information.

b. What activities and services will be provided to meet the intended purpose of these funds?

Please see the attached Potable Water Background, the Opinion of Probable Cost and the DRAFT Drinking Water Asset Management and Fiscal Sustainability Plan for the Town of Century.

c. What direct services will be provided to citizens by the appropriation project?

The provision of potable water to the residents of the Town and to the Century Correctional Institution.

d. Who is the target population served by this project? How many individuals are expected to be served?

According to the Bureau of Economic and Business Research, University of Florida, the 2019 Florida Estimates of Population shows the April 1, 2019 Estimate of Population for the Town of Century at 1,626. The Century Correctional Institution is located just south of the Town of Century's municipal boundaries and the number of inmates housed at the Century Correctional Institutional is 1,345. The Town of Century serves the Century Correctional Institution with potable water and wastewater.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Rehabilitation of the three (3) wells and water plants will ensure the provision of potable water to the residents of the Town of Century and the Century Correctional Institution.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

There are no penalties anticipated.
