Local Funding Initiative Request

Fiscal Year 2021-2022

LFIR # 1991

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The City of Marianna is located in Jackson County, a fiscally constrained county. Additionally, Marianna is part of a rural area of opportunity (RAO), previously known as rural area of critical economic concern. Hurricane Michael directly hit Marianna in October 2018 and has required the city to expend over \$9 million, in the form of reserves and a federal loan, to date, to help with recovery from Hurricane Michael. The funds will be used to cover the local match required by FEMA.

5. State Agency to receive requested funds

State Agency contacted?

6. Amount of the Nonrecurring Request for Fiscal Year 2021-2022

Type of Funding	Amount
Operations	468,666
Fixed Capital Outlay	0
Total State Funds Requested	468,666

7. Total Project Cost for Fiscal Year 2021-2022 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	468,666	100%
Matching Funds		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	0	0%
Other	0	0%
Total Project Costs for Fiscal Year 2021-2022	468,666	100%

8. Has this project previously received state funding?

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. Is future funding likely to be requested?

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

If yes, indicate the amount of funds received and what the funds were used for.

Operational Costs: Other		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other	Replaces funds the city has already spent on capital improvements associated with damages caused by Hurricane Michael.	468,666
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning Engineering		0
Total State Funds Requested (must equal total from question #6)		468,666

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The City of Marianna is located in Jackson County, a fiscally constrained county. Additionally, Marianna is part of a rural area of opportunity (RAO). Hurricane Michael directly hit Marianna in October 2018 and has required the city to expend over \$9 million in the form of reserves and a federal loan, to date, to help with recovery from Hurricane Michael. The funds will be used to cover the local match required by FEMA, in which funds were used to make capital improvements.

b. What activities and services will be provided to meet the intended purpose of these funds?

The activities and services provided will be that the city can use the reimbursement for improvements to roads, water, and waste water projects.

c. What direct services will be provided to citizens by the appropriation project?

The reimbursement will allow the city to use the funds for road, water, and wastewater improvements.

d. Who is the target population served by this project? How many individuals are expected to be served?

The population that would benefit from the reimbursement to make capital improvements will be the citizens of Marianna - 6,200; citizens of Jackson County 48,000; and all that visit the community.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefits of the project should the city receive funding would be to improve city streets, water and wastewater systems.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?
