<b>Total State Funds Requested (m</b>	ust equal total from question #6)	250,000

### 12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The funds will help pay for costs associated with the hirings of staff to operate the center, extended school day services for students in rural under-served communities and wraparound services to youth and families.

b. What activities and services will be provided to meet the intended purpose of these funds?

The purpose is provide structured after-school program to youth and extended day tutoring in reading, math, science, mentoring, counseling, and wraparound services, including access to food and other social services to youth, families and members of the community.

c. What direct services will be provided to citizens by the appropriation project?

Provide structured after-school program to youth and extended day tutoring in reading, math, science, mentoring, counseling, and wraparound services, including access to food and other social services to youth, families and other members of the community.

d. Who is the target population served by this project? How many individuals are expected to be served?

LFIR # 2116

Students and families of Alachua County, Florida.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved attendance, behavior, increased academic achievement, and improved graduation rates.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The penalty for not performing this project would require the reimbursement of state funds.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

n/a
