Total State Funds Requested (m	ust equal total from question #6)	100,000					

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Helping Others And Giving Hope Mobile Food Pantry will be a one of a kind Food Pantry on wheels. It will allow Helping Others And Giving Hope to allieviate food insecurity in communities where elderly, families, and children live where they cannot access a food distribution site and cannot afford groceries.

b. What activities and services will be provided to meet the intended purpose of these funds?

The activities provided will meet the intended purpose of these funds because we will be providing groceries to families in food deserts that cannot drive and don't have vehicles.

c. What direct services will be provided to citizens by the appropriation project?

The direct services that will be provided to citizens by the appropriation project are that we will provide assistance in feeding themselves and their families by mobilizing a food pantry to those who cannot drive and to the areas of food deserts.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population of this project are those are going through poverty and that are in food deserts. The expected amount of individuals that we plan to distribute groceries are 500 families each time we take the Mobile Food Pantry into our community.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefit of this project is to help those who cannot drive or make it normally to a food distribution get groceries. This will be measured by sign in sheets before they enter on the bus.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?
