## Local Funding Initiative Request

### Fiscal Year 2022-2023

LFIR # 1485

1. **Project Title**

2. **Senate Sponsor**

3. **Date of Request**

4. **Project/Program Description**

Funding in support of National Fire Protection Association (NFPA) Code mandating installation of a Bi-Directional Amplifier (BDA) system / Distributed Antenna System (DAS) in facilities whose structures inhibit first responder emergency radio transmissions when conducting life-saving efforts as well as responder safety communications. This system will enhance/boost emergency 2-way radio transmission strength to minimum levels in all structures which is essential for life saving communications.

5. **State Agency to receive requested funds**

**State Agency contacted?**

6. **Amount of the Nonrecurring Request for Fiscal Year 2022-2023**

Type of Funding	Amount
Operations	0
Fixed Capital Outlay	150,000
<b>Total State Funds Requested</b>	<b>150,000</b>

7. **Total Project Cost for Fiscal Year 2022-2023 (including matching funds available for this project)**

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	150,000	100%
<b>Matching Funds</b>		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	0	0%
Other	0	0%
<b>Total Project Costs for Fiscal Year 2022-2023</b>	<b>150,000</b>	<b>100%</b>

8. **Has this project previously received state funding?**

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. **Is future funding likely to be requested?**

a. **If yes, indicate nonrecurring amount per year.**

b. **Describe the source of funding that can be used in lieu of state funding.**

None. Currently there are no provisions federally or otherwise for non-profit faith-based organizations funding support of first-responder emergency communications enhancement. (non-profit grants are limited solely to FEMA Approved Equipment List - AEL #14 and #15).

10. **Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?**

# The Florida Senate

## Local Funding Initiative Request

### Fiscal Year 2022-2023

LFIR # 1485

Yes

**If yes, indicate the amount of funds received and what the funds were used for.**

Paycheck Protection Program (PPP) loan forgiveness for operations funding of personnel during COVID-19 pandemic.

**11. Details on how the requested state funds will be expended**

Spending Category	Description	Amount
<b>Administrative Costs:</b>		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
<b>Operational Costs: Other</b>		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
<b>Fixed Capital Construction/Major Renovation:</b>		
Construction/Renovation/Land/Planning Engineering	Install and integrate Bi-Directional Amplifier and Distributed Antenna System campus-wide. This includes amplifier, fire rated antenna wire, and omni-directional antenna arrays throughout the entire site to ensure consistent first responder essential life-saving 2-way radio transmitting ability.	150,000
<b>Total State Funds Requested (must equal total from question #6)</b>		<b>150,000</b>

**12. Program Performance**

**a. What specific purpose or goal will be achieved by the funds requested?**

To attain compliance to the National Fire Protection Association (NFPA) Code mandating provision/enhancement for emergency first responder 2-way radio communications at a site identified as problematic. This will not only provide consistent, comprehensive coverage for first responder emergency radio transmissions campus-wide but will insure that life-saving communications are immediate and tactically actionable.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

A selected contractor/integrator will design, install, and integrate the BDA/DAS system. The contractor will additionally provide formal testing following installation/integration to insure all campus areas conform to, or exceed, minimum 2-way radio transmission strengths as set forth in the NFPA Code.

**c. What direct services will be provided to citizens by the appropriation project?**

With the establishment of the BDA/DAS system, all emergency first responders will benefit from continuous and comprehensive 2-way radio coverage directly affecting the quality and rapidity of emergency services provided to the Central Florida community that patronize the Maitland Jewish Campus for varying services (2-schools, Holocaust Museum, Jewish Community Center, Adult Learning School, and special community events).

**d. Who is the target population served by this project? How many individuals are expected to be served?**

# The Florida Senate

## Local Funding Initiative Request

### Fiscal Year 2022-2023

LFIR # 1485

- Emergency First Responders.
- Regional emergency response assets when site used as command post/staging area for regional emergency.
- Jewish Campus patrons, students, families, guests, and personnel from across Central Florida.
- Up to 1,200 served daily.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

To provide for consistent and comprehensive amplification of emergency first responder 2-way radio transmissions campus-wide in and around all campus structures (currently deemed problematic). A formal radio transmissions assessment following installation/integration will be conducted of all identified problem areas to insure signal strength meet or exceed NFPA minimum requirements.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Consideration for financial penalties of \$500.00 a day past agreed upon milestone deadlines. This would include all reasonable expectation of operational progress and foreseeable circumstance.

**13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.**

The Jewish Federation of Greater Orlando, Inc. (Maitland)  
The nonprofit corporation is the owner of the facilities and the entity - intended recipient of any fixed capital outlay funding.
