4. Project/Program Description

The Town currently has a FRDAP grant with DEP for improvements in the Oxford Street Park in the amount of \$200,000.00. Due to inflation the cost of the proposed improvements in the Oxford Street Park will significantly exceed the \$200,000.00 included in the FRDAP grant. The Town is requesting an additional \$400,000 to complete the proposed recreational improvements in Oxford Street Park. The proposed improvements include the renovation and/or replacement of the following facilities: the existing playground, the existing basketball court, the existing picnic facilities, the existing swimming pool, the existing football/soccer field, the existing shuffleboard court, and the existing parking lot. Additionally, the Town is requesting funds to develop the following new facilities: a new splash park, a new covered picnic facility, a new soccer field, new storm drainage, and new security lighting. The requested funding would also be used for engineering design and a property survey.

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Once the construction of the proposed improvements in the Oxford Street Park are completed, the residents of the Town of Hilliard will have a state of the art outdoor recreation facility they can utilize. The Oxford Street Park will serve all of the residents of the Town of Hilliard as the primary location to partake in or watch outdoor recreation.

b. What activities and services will be provided to meet the intended purpose of these funds?

When the project is complete, the Oxford Street Park will provide the Town's primary facility to participate in or watch outdoor recreational activities in the Town of Hilliard. Oxford Street Park, when the project is completed, will provide the premiere venue for watching and participating in outdoor recreational activities available in the park.

c. What direct services will be provided to citizens by the appropriation project?

When the proposed project is complete, the Oxford Street Park will continue to be the primary facility in the Town of Hilliard where outdoor recreational activities such as basketball, volleyball, swimming and football are carried out. The town encourages all of the town's citizens to utilize the Oxford Street Park.

d. Who is the target population served by this project? How many individuals are expected to be served?

Based upon the 2011-2015 American Census Survey the Town of Hilliard contains 3,010 people, 1,955 of which are low and moderate income. All of whom will be able to utilize the facilities in the Oxford Street Park. All 3,010 of the town's citizens will benefit from the proposed improvements in the Oxford Street Park.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will
