## Local Funding Initiative Request

### Fiscal Year 2022-2023

LFIR # 1615

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Repair/replace existing seawall along 213th Street with new piles, badder piles and panels using concrete material. Funding would be used for the immediate repair of the seawall that is in disrepair and is currently failing in an area that borders a large residential area and a new high school. This repair would redirect surface water back into the normal course of drainage, through the drainage system and through storm wells, allowing for water quality to improve and to meet standards.

**12. Program Performance**

**a. What specific purpose or goal will be achieved by the funds requested?**

The goal is to reinforce the existing seawall that has become deteriorated over the years from age and the elements.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

Improved stormwater management

**c. What direct services will be provided to citizens by the appropriation project?**

Improved stormwater management, reduction of flooding, property damage, and proper drainage, maintaining water quality

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Approximately 8000; Residents of Aventura and of the connecting waterway, with a regional impact

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The benefit is to re-enforce a seawall which holds the road in place. The outcome is smooth vehicle and pedestrian traffic to and from schools and residential buildings. This repair would redirect surface water back into the normal course of drainage, through the drainage system and through storm wells, allowing for water quality to improve and to meet standards. Determined by regular testing.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Bid bonds are required for the amount bid and if the contractor defaults then we would utilize the bond to finish.
