**12. Program Performance**

**a. What specific purpose or goal will be achieved by the funds requested?**

To repair and repurpose our 12 lift stations throughout the city to ensure proper operation and to rehabilitate our 146 manholes within the city.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

Prevent sewer backups into homes and prevent wastewater to SSO from the liftstation into the surrounding environment. Prevent the infiltration that produces unsanitary water and eliminate the extra costs at the treatment plant. Control sewer odor in residential areas. Induction of good bacteria within the lift station systems. Clean oxygenated water delivered to the ecosystem. Post aeration system.

**c. What direct services will be provided to citizens by the appropriation project?**

Prevent sewer backups and untreated wastewater from occurring in the surrounding environment and into homes. Cleaner, better smelling air near wastewater stations. Clean water delivered back into the ecosystem, creating better water quality in the aquifer.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

1500

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Biomass monitoring and feeding technologies via shake flask cultures and laboratory information management system software to neutralize odors and secure a fresher and cleaner environment. Reduced power consumption from the new pump systems, monitored by 3rd party power companies FPL & Clay Electric. Good quality bacteria from using less industrial chemicals to remove blockages, protects the plants and animals within the ecosystem. Observed and tested by Public Works staff during regular inspections with data recorded for analysis and review.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**
