Construction/Renovation/Land/Planning Engineering		0
Total State Funds Requested (must equal total from question #6)		85,000

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The specific purpose of this request is secure funds to purchase the SmartCop software product to upgrade the communication system in the Chattahoochee Police Station.

b. What activities and services will be provided to meet the intended purpose of these funds?

The new software will upgrade the antiquated communication system that the City currently uses.

c. What direct services will be provided to citizens by the appropriation project?

The appropriation of this project will provide the technology for the police department to better serve and protect the citizens of Chattahoochee.

d. Who is the target population served by this project? How many individuals are expected to be served?

The City of Chattahoochee has a population of over 3,000. However, due to the geographic location being in close proximity of the City of Sneads and Lake Seminole in Georgia, it is easy to say that nearly 10,000 local citizens utilize the area. not to mention tourist that visit the area.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The communications upgrade will give officers the opportunity to be more efficient in their daily activities therefore cutting down on time spent on antiquated procedures that they currently have to use.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

There are not any anticipated performance shortfalls or deliverables not met.
