12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Decrease the number of children 0-5 years of age being removed from their primary care givers care and entering the child welfare system. Increase days of child in school, decrease behavioral disruptions in the classroom setting, improve academic success. Decrease the number of parents of children ages 0-5 who are arrested due to drug abuse, domestic violence or child abuse and neglect. Parents enrolled in Baby Cat will increase employment opportunities and/or increase access to entitlement benefits such as SSI, SSDI, and SNAP. Parents enrolled in Baby Cat will receive trauma informed substance abuse treatment throughout the program.

b. What activities and services will be provided to meet the intended purpose of these funds?

Intensive in-home case management. Intensive in-home therapy for mental health and/or co-occurring substance use issues. Care coordination with the public school system and the child welfare system. Intensive and frequent case staffings.

c. What direct services will be provided to citizens by the appropriation project?

Intensive in-home case management. Intensive in-home therapy for mental health and/or co-occurring substance use issues. Care coordination with the public school system and the child welfare system. Intensive and frequent case staffings.

d. Who is the target population served by this project? How many individuals are expected to be served?

The Florida Senate Local Funding Initiative Request Fiscal Year 2022-2023

LFIR # 1793

Children 0-5 years of age and their primary caregiver. The target population is 150-200 children and 100 adults with mental health and/or co-occurring substance use disorders who are at risk of their children entering the child welfare system or being placed in out of home care.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

DCF child abuse hot line data and Florida Safe Families Network (FSFN). The Public School system data base on attendance, behavioral disruptions and academic performance. Jail data will be used to determine if those parents enrolled in Baby Cat have been arrested while receiving Baby Cat services and up to 6 months after completing such services. 100% of adults will be linked to Career Source, SNAP benefits, application for Pinellas County Health Plan or Medicaid. Parents enrolled in Baby Cat will test negative on random drug screenings while participating in the program.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

1% penalty of each month that performance measures are not met. Program will have the opportunity to earn back the monies in the following month if outcomes are achieved for the current month and prior month.
