<b>Total State Funds Requested (must equal total from question #6)</b>		<b>435,135</b>

**12. Program Performance**

**a. What specific purpose or goal will be achieved by the funds requested?**

The project is designed to increase the usage of the village parks by improving access, signage, and equipment including playground and exercise equipment.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

Installation of access improvements including walkway improvements, exercise and tot lot equipment, and signage and protective barriers for protection of historical sites.

**c. What direct services will be provided to citizens by the appropriation project?**

Passive access and equipment will be available for residents' use.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The project is designed to encourage increased use of the parks by elderly persons, grade school and high school students, and other residents seeking outdoor activity or historical information.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Increased use of the parks and increased activity of residents leading to healthier residents.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Loss of funding. Standard contract penalties are sufficient.
