Local Funding Initiative Request

Fiscal Year 2022-2023

LFIR # 2111

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Originally built in 1902, the building was the Water Control District's office with an equipment staging facility building that employees would pick up road grading and maintenance equipment to perform work throughout the town. This equipment staging facility building has been deemed to be sub-standard, has been treated for termites, and must be replaced with the curtilage necessary for replacing the building. Storm hardening would be added.

5. State Agency to receive requested funds

State Agency contacted?

6. Amount of the Nonrecurring Request for Fiscal Year 2022-2023

Type of Funding	Amount
Operations	0
Fixed Capital Outlay	850,000
Total State Funds Requested	850,000

7. Total Project Cost for Fiscal Year 2022-2023 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	850,000	100%
Matching Funds		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	0	0%
Other	0	0%
Total Project Costs for Fiscal Year 2022-2023	850,000	100%

8. Has this project previously received state funding?

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. Is future funding likely to be requested?

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

If yes, indicate the amount of funds received and what the funds were used for.

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Originally built in 1902, the building was the Water Control District's office with an equipment staging facility building that employees would pick up road grading and maintenance equipment to perform work throughout the town. This equipment staging facility building has been deemed to be sub-standard, has been treated for termites, and must be replaced with the curtilage necessary for replacing the building. Storm hardening would be added.

b. What activities and services will be provided to meet the intended purpose of these funds?

Originally built in 1902, the building was the Water Control District's office with an equipment staging facility building that employees would pick up road grading and maintenance equipment to perform work throughout the town. This equipment staging facility building has been deemed to be sub-standard, has been treated for termites, and must be replaced with the curtilage and storm hardening necessary for same.

c. What direct services will be provided to citizens by the appropriation project?

The building was the Water Control District's office with an equipment staging facility building that employees would pick up road grading maintenance equipment to perform work throughout the town. This equipment staging facility building has been deemed to be sub-standard, has been treated for termites, and must be replaced with curtilage and storm hardening.

d. Who is the target population served by this project? How many individuals are expected to be served?

All citizens within this the agricultural/equestrian community, that is targeted at 3,200 residents, and the residents within Palm Beach County.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2022-2023

LFIR # 2111

Replacement of Public Works equipment staging facilities building promotes the agricultural/equestrian community with equipment for road grading protection. Allows roads to be maintained in a timely manner with equipment protection. Storm hardening will be added as this is an original 1902 build structure.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard contract penalties are sufficient.

13. The owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

The Town of Loxahatchee Groves.
