Construction/Renovation/Land/Planning Engineering	Pre-construction costs and construction costs associated with improvements needed, etc. to assure that the City's wells and related appurtenances are maintained and operated appropriately so as to produce a quality water product.	500,000
Total State Funds Requested (must equal total from question #6)		500,000

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The continuous supply of water from water supply wells will ensure adequate supply of water to the water distribution mains. An adequate supply of water is needed to maintain sufficient pressure in the water mains to provide adequate fire protection and help eliminate backflow of contaminated water from entering the water distribution system from potential cross-connections and leaking joints.

b. What activities and services will be provided to meet the intended purpose of these funds?

Pre-construction costs and construction costs associated with improvements needed, etc. to assure that the City's wells and related appurtenances are maintained and operated appropriately so as to produce a quality water product.

c. What direct services will be provided to citizens by the appropriation project?

Wells that are drawing solids may be rehabilitated and wells that have poor water quality may be relocated.

d. Who is the target population served by this project? How many individuals are expected to be served?

City of Riviera Beach. 33,000+

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Record drawings showing new wells or upgrades; and well sample test results, Samples from existing ground water monitoring wells located in the surficial aquifer meet the Class G-II ground water standards for chloride and total dissolved solids., Record drawings showing upgrades to existing wells or new wells to offset mitigated risk..

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The Florida Senate

Local Funding Initiative Request
