Total State Funds Requested (m	Total State Funds Requested (must equal total from question #6) 500,000					

12. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Goal is to seek a feasibility study and design a multi-purpose government complex that will consolidate and house county services in one location adjacent to the Emergency Operations Centers on county owned property. This project would allow for the courthouse, state probation, and public defenders offices to be able to expand into the existing building occupied by the BOCC and the Tenth Judicial System can utilize the existing commission chambers as an additional court room and jury selection area.

b. What activities and services will be provided to meet the intended purpose of these funds?

Activities are to seek contractual services through the county's procurement process for a feasibility study and to design a multi-use government complex that will be located on county owned property.

c. What direct services will be provided to citizens by the appropriation project?

Direct services are to provide citizens with efficient, cost effective county services in one complex. Consolidation will reduce operating costs and provide savings to the citizenry.

d. Who is the target population served by this project? How many individuals are expected to be served?

Hardee County and surrounding areas. More than 27,000 individuals will be served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Expected outcome is a final design/shovel ready multi-use government complex. Set of construction plans. Employment maintained from project in this rural area of opportunity (s. 288.0656, Florida Statutes).
