Cutler Bay is located in South-Miami Dade County (Commission District 8), an area that is experiencing great population growth. The Town has established itself as a great place to live and play. The Economic Development Plan will help the Town reach its goal of becoming a great place to work. The goal is to identify gaps in workforce training, and create a marketing plan to attract new business that leads to gainful employment for South Dade's residents. The Town also values entrepreneurship and promotes small business development.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

The project has two components: (1) Assess existing conditions and conduct a needs assessment to support economic growth within the Town. Identify ways to promote and capitalize on benefits offered in opportunity zones, and (2) Identify strategies to promote the growth of small businesses and foster entrepreneurship.

**c. What direct services will be provided to citizens by the appropriation project?**

The Town shall conduct a needs assessment and series of public involvement meetings to gain citizen's input on the future growth and development of the community. This includes directly engaging the business community.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Small Businesses, General Public, Large Employers

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The expected outcome of this project is the adoption of the Economic Development Plan. The plan will lay out specific policy changes and projects that will stimulate economic development, facilitate use and reuse of existing infrastructure, protect green spaces and natural resources, and promote sustainable and equitable development.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**
