## Local Funding Initiative Request

### Fiscal Year 2023-2024

LFIR # 1363

1. **Project Title**
2. **Senate Sponsor**
3. **Date of Request**

**4. Project/Program Description**

A great deal of resources are being focused on the opioid/overdose crisis, yet coordination and accountability for the programs funded by all of this money has been deprioritized. Our local law enforcement agencies have recognized this and asked Live Tampa Bay to assist. Currently, officers deploy best practices to combat the opioid crisis via policing & post-overdose navigation from crisis (overdose) into treatment/recovery. Implementing these best practices in a way that articulates with on-the-ground realities in the Tampa Bay region benefits from coordination. Coordination helps to more quickly spread tactics that work within best practices and those that do not. This program will help to coordinate and fill gaps by 1) measuring outcomes of efforts currently being implemented, 2) assisting agencies in coordinating/sharing data and lessons learned across jurisdiction, 3) tweaking implementation of efforts based on data/lessons learned, and 4) developing supplemental supports.

5. **State Agency to receive requested funds**
- State Agency contacted?**  Yes

**6. Amount of the Nonrecurring Request for Fiscal Year 2023-2024**

Type of Funding	Amount
Operations	595,253
Fixed Capital Outlay	0
<b>Total State Funds Requested</b>	<b>595,253</b>

**7. Total Project Cost for Fiscal Year 2023-2024 (including matching funds available for this project)**

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	595,253	66%
<b>Matching Funds</b>		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	150,000	17%
Other	150,000	17%
<b>Total Project Costs for Fiscal Year 2023-2024</b>	<b>895,253</b>	<b>100%</b>

8. **Has this project previously received state funding?**  No

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. **Is future funding likely to be requested?**  No
- a. **If yes, indicate nonrecurring amount per year.**
- b. **Describe the source of funding that can be used in lieu of state funding.**
-

## Local Funding Initiative Request

### Fiscal Year 2023-2024

LFIR # 1363

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

If yes, indicate the amount of funds received and what the funds were used for.

## Complete questions 11 and 12 for Fixed Capital Outlay Projects

11. Status of Construction

a. What is the current phase of the project?

Planning   
  Design   
  Construction

b. Is the project "shovel ready" (i.e permitted)?

c. What is the estimated start date of construction?

d. What is the estimated completion date of construction?

12. List the owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

13. Details on how the requested state funds will be expended

Spending Category	Description	Amount
<b>Administrative Costs:</b>		
Executive Director/Project Head Salary and Benefits	Executive Director (.25 FTE)	37,500
Other Salary and Benefits	Program Implementer and Evaluator (.5 FTE \$40,000+ 28.6% benefits), Outreach Coordinator (.25 FTE, \$18,750 + 28.6% benefits)	75,553
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
<b>Operational Costs: Other</b>		
Salary and Benefits	Trainers/Recovery Liaisons and Law Enforcement Liaisons (4 FTE, \$50,000 each + 28.6% benefits)	257,200
Expense/Equipment/Travel/Supplies/Other	Health Promotion/Outreach Materials, Meetings/Trainings/Events, Equipment/Supplies, Staff Mileage	150,000
Consultants/Contracted Services/Study	Best Practice Trainers, and Support Consultants	75,000
<b>Fixed Capital Construction/Major Renovation:</b>		
Construction/Renovation/Land/Planning Engineering		0
<b>Total State Funds Requested (must equal total from question #6)</b>		<b>595,253</b>

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

# The Florida Senate

## Local Funding Initiative Request

### Fiscal Year 2023-2024

LFIR # 1363

With the opioid epidemic time saving strategies are lives saved. Bridges not Barriers overall goal is to more quickly spread tactical implementation of best practices by law enforcement throughout the Tampa Bay region. This program will aid coordination across law enforcement jurisdiction by 1) measuring outcomes of efforts currently being implemented, 2) assisting agencies in coordinating/sharing data and lessons learned across jurisdiction, 3) tweaking implementation of efforts based on data/lessons learned, and 4) assisting in develop of community supports to assist law enforcement in navigation of post-overdose victims.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

We will 1) increase the efficacy of “Law Enforcement Leave Behind Programs” by sharing practices and data between agencies and help to coordinate roll-out of new evidence based practices as appropriate, and 2) train and assist with certification peers who work with law enforcement agencies.

**c. What direct services will be provided to citizens by the appropriation project?**

Citizens will receive non-clinical direct services via certified peer recovery specialists from law enforcement interactions. Citizens will gain increased access to treatment and other evidence-based, data driven, best practices to increase their likelihood of surviving SUD overdose in the future and of connecting to treatment/recovery.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

First responders revive those overdosing 12,449 times each year in the Tampa Bay region (Citrus, Hernando, Manatee, Sarasota, Pasco, Pinellas, Polk, Hillsborough counties). By reaching 10% of this population more effectively, we anticipate serving 1,000 individuals and connecting them to recovery and/or treatment services.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Leave Behind Programs, Behavioral Health Intervention Teams, evaluation of systems breakdowns in fatal overdoses, usage of and coordination through OD Maps, and peer navigation are all best practices being utilized by our law enforcement agencies in the Tampa Bay region to varying degrees of success. This program will measure the outcomes of implementation of programs already in existence, identify which implementation tactics are most successful according to the data, share this data with law enforcement agencies, and then offer supplement support in deploying modified tactics for best practice implementation. Once these modified tactics are deployed, these will then be measured to ensure success.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

If the post-intervention, modified tactics do not produce an increase in efficacy of responses by LEO and a decrease in LEO burnout/fatigue around overdose response, then this strategy should be abandoned or improved upon by others.
