Once the construction of the proposed improvements in North Oxford Street Park are completed, the residents of the Town of Hilliard will have a state of the art outdoor recreation facility they can utilize. The North Oxford Street Park will serve all of the residents of the Town of Hilliard as the primary location to partake in or watch outdoor recreation activities taking place at the venues in the park.

b. What activities and services will be provided to meet the intended purpose of these funds?

When the project is complete, the North Oxford Street Park will provide the Town's primary facility to participate in or watch the outdoor recreational activities available in the North Oxford Street Park in the Town of Hilliard.

c. What direct services will be provided to citizens by the appropriation project?

When the proposed project is complete, the North Oxford Street Park will continue to be the primary facility in the Town of Hilliard where outdoor recreational activities such as baseball are carried out. The town encourages all of the town's citizens to utilize the North Oxford Street Park.

d. Who is the target population served by this project? How many individuals are expected to be served?

Based upon the 2011-2015 American Census Survey the Town of Hilliard contains 3,010 people, 1,955 of which are low and moderate income. All of whom will be able to utilize the facilities in the North Oxford Street Park. All 3,010 of the town's citizens will benefit from the proposed improvements in the North Oxford Street Park.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected outcome is to have a regional baseball park that will serve the entire community. The methodology to determine the success of the renovated North Oxford Street Park is the number of people who utilize the facilities in the park for their enjoyment.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

The Town of Hilliard should have the proposed renovations and improvements in North Oxford Street Park completed within 18 months following the full execution of the contract between the Department of Environmental Protection and the town.
