Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 1839

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Bethlehem Community in southern Columbia County is in need of a community center. Columbia County has already paid for the building design for the facility and requests \$475,000 for the construction of the new community center. This community center will improve community vitality and quality of life in a rural and undeserved area of the county and will include a kitchenette and ADA accessible bathrooms. The community center will also act as a voting precinct as there is currently one voting location in southern Columbia County.

5. State Agency to receive requested funds

State Agency contacted?

6. Amount of the Nonrecurring Request for Fiscal Year 2023-2024

Type of Funding	Amount
Operations	0
Fixed Capital Outlay	475,000

Construction/Renovation/Land/Planning Engineering	The construction breakdown will include \$475,000 will include site prep and a 3,200 square foot facility that will include kitchenette and counter top area with indoor/outdoor ADA accessible bathrooms.	475,000
Total State Funds Requested (must equal total from question #6)		475,000

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 1839

The construction of a community center that will act as a community gathering location, provide ADA bathrooms as well as a voting precinct location for elections. The unincorporated area that is known as the Bethlehem Community is roughly 5 miles from the Town of Fort White. This community center will enhance the quality of life for a relatively isolated area of the county.

b. What activities and services will be provided to meet the intended purpose of these funds?

The construction of a community center that will act as a community gathering location, provide ADA bathrooms as well as a voting precinct location for elections.

c. What direct services will be provided to citizens by the appropriation project?

Recreation, voting precinct, and improved community vitality.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population is meant for the Bethlehem Community and the general population of Southern Columbia County.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The Bethlehem Community is a rural and undeserved area of Columbia County. The county will track the success of the community center by its use of an election precinct as well as the amount of events at the community center held each year.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Remittance of funds back to the state.
