The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 1899

The Police Department and Fire Department will help serve all the citizens by this request.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population will be the entire Village of North Palm Beach, as well as any adjacent municipalities who may be served by mutual aid. Approximately 13,000 residents will be served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefit is that the employees will have better working and living conditions and therefore be better equipped to directly serve the residents of the Village of North Palm Beach.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Removal of remaining funding.
