Adopt 50+ families where our volunteers provide clothing, food, and other basic necessities. Bring joy to less fortunate children during the holidays and distributing over 3,000 toys and gift cards. Offering a free eight week summer camp to children ages 7-13 to keep them in a safe, learning environment so parents can go to work.

c. What direct services will be provided to citizens by the appropriation project?

Over 50 families will be provided much needed items like clothing, food, other basic needs to and leave an impact and opportunity for betterment in each family. Over 3,000 children will receive a toy during the holidays, bringing joy to less fortunate families. Over 250+ children 7-13 will have an opportunity to attend a free 8 week summer camp that offers a safe and learning environment so parents can go to work.

d. Who is the target population served by this project? How many individuals are expected to be served?

We target low income families and communities and student population eligible for free/reduced lunch and serve over 3,000 children annually.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

With this program we expect to alleviate some financial burdens with families struggling to make ends meet. Adopt a Family identifies basic necessities and aims to assist for the betterment of the household. Summer camp offers an opportunity for children to be safe while still learning, and parents can go to work knowing their children are not home alone or in the street. Toys are received by over 3,000 children bringing much needed joy to less fortunate families.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Failure to meet deliverables or performance measures may lead to corrective action up to and including contract termination.
