## Local Funding Initiative Request

### Fiscal Year 2023-2024

LFIR # 2482

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Tinker Elementary was expanded in 2015 to include grades 6-8, which provided families residing on MacDill Air Force Base (MAFB) a K-8 school campus. As the site was not originally designed to house middle school aged students, a gymnasium was not a component of the original design. The funding requested would address this deficiency. The need for a gymnasium was validated by a Dept of Defense (DOD) March 2018 Assessment, "Tinker Elementary/Middle School Facility Condition Assessment Report."

**b. What activities and services will be provided to meet the intended purpose of these funds?**

The gymnasium will be utilized for community-centered events, such as gatherings to acknowledge Veteran's Day and Patriot's Day. Parent and community meetings will also be held in the space. Additionally, the school will institute middle school team sports (an upgrade from existing intramural level) to give students equitable educational experiences as provided to students in schools off base.

**c. What direct services will be provided to citizens by the appropriation project?**

Services will include school programs, parent and community engagement activities, athletics, and before and after school programming.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

This project will serve over 800 preschool and grade school students and their families.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

This project is expected to improve the quality of education, as well as physical health, as measured by school grades, student enrollment in competitive team sports opportunities, and climate surveys.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

Hillsborough County Public Schools would comply with any penalties for failing to meet deliverables or performance measures, as determined by the Department of Education.
