## Local Funding Initiative Request

### Fiscal Year 2023-2024

LFIR # 2572

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The community center in the Town of Altha was completely destroyed during Hurricane Michael in 2018. These funds would greatly benefit the Town by providing the resources needed to complete construction of the new community center. A new community center would not only provide a central location to host various events, but would also serve as an emergency resource center during/after natural disasters.

### 14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal for this project is to give the Town of Altha a community center that they can be proud of and provide a building that is suitable for the needs of the citizens. The CDBG funds that Altha received for the reconstruction of the community center are extremely beneficial but with the ever escalating inflation of construction costs and the restrictions of how CDBG funds can be used, supplemental funding is absolutely critical to provide Altha with a quality community center.

b. What activities and services will be provided to meet the intended purpose of these funds?

These funds will help with the enhancement of the community center building when it is built with CDBG funds.

**c. What direct services will be provided to citizens by the appropriation project?**

The Altha citizens do not currently have a community center. This will help provide them with a building to host school events, Boys and Girls Scouts, Voting Center, Council Meetings, Reunions, Weddings, Birthday parties, fundraisers, and a place to help coordinate disaster recovery efforts.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The target population is the Town of Altha, over 500 citizens and all other visitors that will use the community center.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The community center will allow the community to be united with events held to bring them closer together and interact with one another.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

The Auditor General audits for both the Town and State agencies. If the project is not completed within the requirements outlined in the grant award, the funding may be withdrawn.
