## Local Funding Initiative Request

### Fiscal Year 2023-2024

LFIR # 2610

1. **Project Title**
2. **Senate Sponsor**
3. **Date of Request**

**4. Project/Program Description**

The City of Midway (City) doesn't have appropriate wildland apparatus to support the needs of the City and provide mutual aid when necessary. The City will use equipment in this proposal to provide first response to calls for service regarding Fire/Rescue and Medical Assist Calls with Gadsden County Emergency Services. In addition, this equipment will ensure that the City's ISO continues to benefit the citizens of its service area. This project also benefits US Highway 90 and I-10 for rescue capabilities.

Timely First Response to calls for service with adequate and appropriate apparatus.

**c. What direct services will be provided to citizens by the appropriation project?**

By providing these services timely, efficiently, and adequately will certainly have a dramatic impact on the City of Midway's and the County's ISO rating.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

Approx. 46,000 citizens of Gadsden County. Additionally, we are responsible for approx. 20 m of I-10.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Protection of Life/Property and rapid response times are essential to rural areas of Gadsden County. Having the necessary equipment to do this is paramount. The most measurable outcome will be identified in the ISO ratings.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?**

The number of call responses reported to the State. More importantly - annual ISO evaluations.
