Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2620

1. Project Title Marion County Roadway improvements on SW 80th Ave from north of SW 38th St. through SR 40

2. Senate Sponsor Keith Perry

3. Date of Request 02/20/2023

4. Project/Program Description

The Marion County Board of County Commissioners is actively building parallel and alternative corridors to I-75 and other state roads in the area. The funds requested will be used for road and utility design on a 2-mile portion of SW 80th Ave from north of SW 38th St. through SR 40, which is one section of the 13.6 mile SW/NW 80th/70th Avenue/49th Street corridor project with a total expected cost of \$140,000,000. In addition, the county has invested \$749,604 for the preliminary engineering report and project development and \$6,600,000 for right of way acquisition. This project will help with traffic congestion on I-75 and around the Florida Aquatic Swimming and Training facility.

5. State Agency to receive requested funds Department of Transportation

State Agency contacted? Yes

6. Amount of the Nonrecurring Request for Fiscal Year 2023-2024

Type of Funding	Amount
Operations	0
Fixed Capital Outlay	2,000,000
Total State Funds Requested	2,000,000

7. Total Project Cost for Fiscal Year 2023-2024 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	2,000,000	79%
Matching Funds		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	540,161	21%
Other	0	0%
Total Project Costs for Fiscal Year 2023-2024	2,540,161	100%

8. Has this project previously received state funding? No

Fiscal Year (yyyy-yy)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. Is future funding likely to be requested? Yes

a. If yes, indicate nonrecurring amount per year. 4,000,000

b. Describe the source of funding that can be used in lieu of state funding.

Future funding will be for right of way acquisition, which is estimated at \$11.2 million, and construction, which is estimated at \$17.2 million.

10. Has the entity requesting this project received any federal assistance related to the COVID-19 pandemic?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2620

Yes

If yes, indicate the amount of funds received and what the funds were used for.

\$155,429,917.67. Funds have been used for infrastructure upgrades and to mitigate impacts of COVID 19 including but not limited to testing, vaccination, PPE, overtime, support for businesses, support for not-for-profits, support municipalities, and rental assistance for families.

Complete questions 11 and 12 for Fixed Capital Outlay Projects

11. Status of Construction

a. What is the current phase of the project?

☐ Planning ☒ Design ☐ Construction

b. Is the project "shovel ready" (i.e permitted)?

No

c. What is the estimated start date of construction?

not funded

d. What is the estimated completion date of construction?

not funded

12. List the owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Marion County's Office of the County Engineer, a department within the Marion County government will receive the funds.

13. Details on how the requested state funds will be expended

Spending Category	Description	Amount
Administrative Costs:		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Operational Costs: Other

Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning Engineering	The funds requested will be used for road and utility design on a 2-mile portion of SW 80th Ave from north of SW 38th St. through SR 40 in order to help with traffic congestion on I-75 and around the Florida Aquatic Swimming and Training facility.	2,000,000
Total State Funds Requested (must equal total from question #6)		2,000,000

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 2620

The funds requested will be used for road and utility project design on a 2-mile portion of SW 80th Ave from north of SW 38th St through SR 40 with the goal of reducing traffic congestion on I-75 in Marion County as well as congestion from those entering/exiting the Florida Aquatic Swimming and Training (FAST) facility.

b. What activities and services will be provided to meet the intended purpose of these funds?

The project will expand an existing roadway from 2 lanes to 4 lanes and relocate and interconnect water and sewer utilities at this same time to provide for much-needed septic-to-sewer connections. This is one segment of an overall project that has a cost of \$140,000,000.

c. What direct services will be provided to citizens by the appropriation project?

The project will allow Marion County residents and visitors to the county to utilize the SW/NW 80th/70th Avenue/49th Street corridor, instead of an already congested I-75 for travel within the county. Additionally, it will reduce traffic congestion to those entering/exiting the Florida Aquatic Swimming and Training (FAST) facility.

d. Who is the target population served by this project? How many individuals are expected to be served?

Travelers of the SW/NW 80th/70th Avenue/49th Street corridor will be served by the project. Many of the county's 385,000+ residents utilize I-75 for local travel, additionally, these road improvements will benefit the estimated 80,000 people daily I-75 moves through the county daily by reducing traffic and congestion caused by local travelers.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The project will provide relief to traffic and intersection congestion on I-75 and those entering/exiting the Florida Aquatic Swimming and Training (FAST) facility in Marion County. We will measure traffic congestion, traffic count, and intersection performance at locations impacted by the project.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Standard contract penalties including liquidated damages and the potential for failure to be awarded future contracts due to poor or lack of performance.
