14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The Construction of a new hurricane-resistant, Boys and Girls Club facility. Gadsden County has limited recreational programs or organizations that provide organized after-school activities. There is a clear need for after-school programs in a structured setting like a Boys and Girls Club.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2023-2024

LFIR # 3128

PROJECT AMENITIES INCLUDE

- Study area and learning center
- Technology center
- Gymnasium
- Dedicated Cafeteria
- Outdoor greenspace area
- It would dually serve as a COVID and natural disaster emergency shelter for able-bodied and special needs Gadsden County residents and evacuees from other areas during a disaster.

The Boys and Girls Club facility will be located in Quincy, Fla., the largest municipality in Gadsden County, Fla. The City of Quincy has less than 12,000 residents and a 36.4% poverty rate.

c. What direct services will be provided to citizens by the appropriation project?

ACCESS TO AFTER-SCHOOL PROGRAMS

Research shows the high-quality after-school programs improve students' educational outcomes, school attendance, and social and emotional learning. Afterschool Alliance, an educational watchdog group, claims that quality after-school programs understand that children and youth in different age groups vary in academic, psychological, and physical activity needs.

d. Who is the target population served by this project? How many individuals are expected to be served?

School aged children and at risk youth in Gadsden County. 12,000 individuals are expected be served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Research shows the high-quality after-school programs improve students' educational outcomes, school attendance, and social and emotional learning. Afterschool Alliance, an educational watchdog group, claims that quality after-school programs understand that children and youth in different age groups vary in academic, psychological, and physical activity needs. The State of Florida is known nationally for its school grading system, recreational activities, and sports programs. Based on yearly student test results, the Gadsden County public education system has consistently received a C or lower grade from the Florida Department of Education. Gadsden County must receive this funding to ensure its youth have the education, skills, and support to be successful adults and compete in the workforce.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Corrective action plan created, measured, and implemented with a success timeline for the state to continue funding the project.
