Total State Funds Requested (must equal total from question #6)

LFIR # 3223

14. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Construction of a new operations facility to allow the District to provide continue providing superior customer service to the citizens of the District. Securing State funding will allow the District and its member counties to continue to maximize funding from the annual budget for waterway projects and Hurricane Ian recovery.

b. What activities and services will be provided to meet the intended purpose of these funds?

The District and its member counties have expended or committed funds for purchase of the land, feasibility study, architecture, and permitting and design. This represents nearly 85% of the total project cost. Additionally, District staff will manage the construction of the facility.

c. What direct services will be provided to citizens by the appropriation project?

Access given to the public for regular meetings, public hearings, and other functions open to the public.

d. Who is the target population served by this project? How many individuals are expected to be served?

Citizens of the District residing in Lee, Charlotte, Sarasota, and Manatee Counties. Approximately 1.8 million persons. Also- all those who utilize District waterways in those Counties.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The requested funds represent just under 10% of the District's annual budget. Securing State funding will allow the District and its member counties to continue to maximize funding from the annual budget for waterway projects to fulfill its mission. State funds will be recognized and the projects completed as a result of the availability of the funding will be recorded and detailed in the Strategic Plan update.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for the contract?

Return of all funds if building is not completed and return of any excess funds.
