b. What activities and services will be provided to meet the intended purpose of these funds?

a. What specific purpose or goal will be achieved by the funds requested?

significant disabilities.

To increase life and community safety skills, build independence and ensure community involvement by person's with

LFIR # 1026

Specific, highly-detailed curriculum will be used to train the many areas of life skills and expected behaviors in the community. Funding will also allow our participants with disabilities to participate in the community as much as possible, which is accomplished via community trips to local resources (library, Career Source, local employers, volunteering, etc.).

c. What direct services will be provided to citizens by the appropriation project?

Adults with disabilities will receive intensive classroom instruction; participate in community practicums; hear from community leaders and other speakers; engage in numerous involvement outings and complete volunteer projects at multiple community-based organizations.

d. Who is the target population served by this project? How many individuals are expected to be served?

Adults with disabilities who need further life skills training; current and future participants in our Adult Day Training program who want to improve their life skills and become more fully engaged citizens. At a minimum, 80 individuals will be served.

- e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?
- 1- 100 percent of participants will complete a skills interest inventory to access training, integration and development needs.
- 2- 100 percent of participants will demonstrate appropriate social and interpersonal skills in both workplace and community based settings.
- 3- At a minimum, 70% of participants will participate in two community inclusion activities per month.
- f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Α	portion of the contract is performance based, with incremental financial penalties for failure to meet deliverables.
14. Is	this project related to mitigation, response, or recovery from a natural disaster? No
a. If	Yes, what phase best describes the project?
	Mitigation (reducing or eliminating potential loss of life or property)
	Response (addressing the immediate and short-term effects of a natural disaster)
	Recovery (assisting communities return to normal operations, including rebuilding damaged infastructure)
b. N	lame of the natural disaster (or Executive Order # for events not under a federal declaration):
15. Ha	s the entity applied for or received federal assistance for this project?
	Yes, Applied
	Yes, Received
	No
	No, but intends to apply
a. If	yes, provide the FEMA project worksheet ID#:
b. F	rovide the total project cost listed on the FEMA project worksheet:
