**13. Program Performance**

**a. What specific purpose or goal will be achieved by the funds requested?**

The training facility for City of Daytona Beach Police Department is essential for ensuring officers are well-prepared and highly skilled. It provides a dedicated space for continuous education and skill development, allowing officers to stay updated on the latest law enforcement techniques and technologies. Specialized areas within the facility, such as virtual simulation rooms and tactical buildings, offer realistic training experiences that enhance officers' readiness for various scenarios. Regular training sessions improve safety and preparedness, enabling officers to respond effectively and safely in real-life situations. Ultimately, a well-equipped training facility supports the professional growth of officers and contributes to the overall safety and well-being of the community they serve.

**b. What activities and services will be provided to meet the intended purpose of these funds?**

Funds will be used to build phase 1 of the training facility.

**c. What direct services will be provided to citizens by the appropriation project?**

It will provide essential training for law enforcement and offer programs like the Citizens' Police Academy to help residents understand police work. By engaging community members each year, the facility will build trust and enhance public safety, making Daytona Beach a safer and more connected place.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

The target population of approximately 85,887 includes the community and the police department. In the last 4 years, the City of Daytona Beach has continued to experience a steady annual growth of 4.71%. We anticipate that growth to increase substantially over the next 5 years.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

The police training facility in Daytona Beach will be a valuable resource for both officers and the community. It will provide essential training to ensure officers are well-prepared and capable. Programs like the Citizens' Police Academy will help residents understand police work and build trust. By engaging with community members each year, the facility will enhance public safety and create a more connected, supportive community. Success will be measured through assessments, surveys, and feedback, ensuring the facility meets its goals and benefits everyone involved.
