### 13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The program will equip unemployed and underemployed individuals obtain employment in high-demand industries, reducing unemployment rates, and furthering Florida's goal to become the top state for workforce education by 2030. OIC South Florida will serve individuals and families, building a talent pipeline from K-12 through career education, offering vocational training, certification, and wrap-around support, leading to an increase in self-sufficiency, resulting in positive economic growth.

b. What activities and services will be provided to meet the intended purpose of these funds?

### The Florida Senate Local Funding Initiative Request Fiscal Year 2025-2026

**LFIR # 1319** 

OIC will conduct labor market informed career development activities, provide vocational training, industry-recognized credentialing programs, wrap around support, and job placement.

c. What direct services will be provided to citizens by the appropriation project?

Direct training services in electrical, fiber optics, I.T., logistics, culinary, construction, and related fields; and youth leadership development, internships, and career readiness training.

d. Who is the target population served by this project? How many individuals are expected to be served?

We anticipate serving 100+ jobless persons, economically disadvantaged persons, at-risk youth, job seekers in substance abuse treatment or recovery, middle and high school students, university/college students, currently or formerly incarcerated persons, and justice-involved individuals.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The expected outcomes and benefits include improving the quality of education, protecting the general public from harm, increased and improved economic activity, creating specific immediate job opportunities, enhancing an individual's and family's economic self sufficiency, reducing recidivism, and diverting youth from entering into-or recidivating from the criminal/juvenile justice system. These outcomes will be measured by tracking participants on the employment journey - from interview opportunities to placements per quarter.
