Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 1350

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

Just as it takes time for a grain of sand to transform inside an oyster, it can take years of being surrounded by loving relationships for children to heal. The Pearl Project offers hope and practical help to families, especially those negatively impacted by the opioid epidemic, through trauma-informed educational opportunities and support groups. This project will scale the organization's work statewide, offering more in-person and virtual trainings, programs, and therapeutic services.

Caregivers will be trained in Trust-Based Relational Intervention (TBRI) practices to increase a caregiver's ability to appropriately react to a child who has been negatively impacted by alcohol and/or drug-related disorders. Ongoing support is offered to ensure a caregiver is fully supported.

c. What direct services will be provided to citizens by the appropriation project?

Provide caregivers with evidence-based, trauma-informed trainings (virtually and in person) designed to meet the unique needs of children with a history of trauma. Regular support groups and individual coaching calls will be offered to help with the implementation of new skills.

d. Who is the target population served by this project? How many individuals are expected to be served?

Parents, caregivers - including school personnel, and children. More than 800 individuals will be served with these funds.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved mental health - Participants will experience less stress in the home and more connected relationships.
Improved quality of education - Parents will learn to advocate for their children and will be able to help teachers know how to meet their unique needs. This will lead to fewer behavior incidents and improved learning. The Pearl Project will track and report findings.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Withhold future funding.
