#### 13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Communication and Community Awareness: Increase community access to care via outreach, information and referral, Stand Down sponsorships and community trainings. Behavioral Health Services: Access to immediate residential co-occurring care, placement into appropriate outpatient level of care and incidental funding needs. Care Navigation: All referrals assigned to a Care Navigator to assist and coach Veterans and their family members as needed through the system of care.

b. What activities and services will be provided to meet the intended purpose of these funds?

**LFIR # 1610** 

Provides support funding for Veterans to reduce barriers to treatment. Covers the operational costs of Care Navigators and a Clinical Supervisor who have experience in case management, outpatient counseling and assisting Veterans and their families with services appropriate to their needs as well as Residential services.

c. What direct services will be provided to citizens by the appropriation project?

Through VIP, BayCare will provide outreach, information and referral, case management, outpatient counseling, cooccurring residential treatment, support funds and assist with linking Veterans and/or their family members to services that are appropriate to their needs. Case management and outpatient counseling services will be available via in person and telehealth platforms.

d. Who is the target population served by this project? How many individuals are expected to be served?

Veterans and/or family members - persons with poor mental health; persons with poor physical health; jobless persons; economically disadvantaged persons; homeless; physically disabled; persons with substance use, currently or formerly incarcerated persons; and substance use offenders. Veterans and family members who are uninsured/underinsured and do not have access to clinically necessary services will be served through these dollars. VIP will serve 101-200 Veterans and Families.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

100% Percent of Veterans will be linked to a Primary Care Physician; \*95% of Veterans and/or family members initiated into treatment within five (5) days of completed assessment; \*15% change in number of veterans and/or family members admitted to residential or outpatient treatment arrested 30 days prior to admission versus 30 days prior to discharge; \*90% of Veterans and/or family members who live in stable housing; \*90% of Veterans and/or family members not readmitted to detoxification within 30 days of discharge; \*60% of Veterans and/or family members who successfully complete residential or outpatient treatment; \*15% decrease in the number of Veterans and/or family members admitted to residential or outpati

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

BayCare Behavioral Health has worked with our Managing Entity (ME) and the Department of Children and Families (DCF) during the current year to ensure the current funding meets the required goals of the contract and brings value back to the community. We would work directly with the ME and DCF going forward to ensure any necessary penalties are added to the contract to achieve the expected performance measures
