

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 1915

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The Town of Windermere seeks funding for intersection improvements at Chase Road and Main Street to enhance traffic flow, safety, and accessibility. Traffic counts indicate the existing intersection is operating at 75% over capacity. The project includes roadway widening, upgraded signage, improved pavement markings, enhanced lighting, and pedestrian crossings. Drainage enhancements will support stormwater management. These upgrades will reduce congestion, improve navigation, and ensure safer conditions for motorists, cyclists, and pedestrians at this key intersection.

5. State Agency to receive requested funds

State Agency contacted?

6. Amount of the Nonrecurring Request for Fiscal Year 2025-2026

Type of Funding	Amount
Operating	0
Fixed Capital Outlay	678,000
Total State Funds Requested	678,000

7. Total Project Cost for Fiscal Year 2025-2026 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	678,000	80%
Matching Funds		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	169,500	20%
Other	0	0%
Total Project Costs for Fiscal Year 2025-2026	847,500	100%

8. Has this project previously received state funding?

If yes, provide the most recent instance:

Fiscal Year (YYYY-YY)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		

9. Is future-year funding likely to be requested?

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

Town of Windermere can contribute an additional 25% to the project.

Fiscal Year 2025-2026

LFIR # 1915

10. Status of Construction

a. What is the current phase of the project?

- Planning
 Design
 Construction
 N/A

b. Is the project "shovel ready" (i.e permitted)? No

c. What is the estimated start date of construction? 07/01/2026

d. What is the estimated completion date of construction? 07/01/2027

e. What funding stream will be used for ongoing operations and maintenance of the project?

Town of Windermere's Public Works budget.

11. List the owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Town of Windermere

12. Details on how the requested state funds will be expended

Spending Category	Description	Amount
Administrative Costs:		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Operational Costs		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning Engineering	Design and Planning	678,000
Total State Funds Requested (must equal total from question #6)		678,000

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The requested funds will improve traffic flow, enhance safety, and reduce congestion at the Chase Road and Main Street intersection. Upgrades include roadway widening, improved signage, lighting, pavement markings, and pedestrian crossings. Drainage enhancements will support stormwater management. These improvements will create a safer, more efficient intersection for motorists, cyclists, and pedestrians, ensuring better accessibility and long-term infrastructure reliability in Windermere.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 1915

The project will include installation of a roundabout, roadway widening, installation of upgraded signage, improved pavement markings, and enhanced lighting to improve visibility. Pedestrian crossings will be added to ensure accessibility. Drainage improvements will be implemented to manage stormwater effectively. Engineering, design, and construction services will oversee the project's implementation, ensuring the intersection's safety, efficiency, and accessibility for all users, including motorists, pedestrians, and cyclists.

c. What direct services will be provided to citizens by the appropriation project?

The project will provide improved traffic flow, reduced congestion, and enhanced safety at the Chase Road and Main Street intersection. Upgrades will include better signage, lighting, and pedestrian crossings. Drainage improvements will reduce flooding risks. These enhancements will ensure safer and more efficient travel for Windermere residents, commuters, cyclists, and pedestrians, benefiting daily users of this critical intersection, which is currently operating over capacity.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population includes Windermere residents, non-resident commuters, local businesses, and visitors who travel through the Chase and Main intersection. This intersection serves as a key access point in the town's roadway network. The project is expected to benefit thousands of individuals daily by improving traffic flow, safety, and accessibility, ultimately enhancing the overall transportation experience for both motorists and pedestrians in the area.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Traffic studies

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Liquidated Damages or non-reimbursement for non-conformance or compliance.

14. Is this project related to mitigation, response, or recovery from a natural disaster?

a. If Yes, what phase best describes the project?

- Mitigation (reducing or eliminating potential loss of life or property)
- Response (addressing the immediate and short-term effects of a natural disaster)
- Recovery (assisting communities return to normal operations, including rebuilding damaged infrastructure)

b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):

15. Has the entity applied for or received federal assistance for this project?

- Yes, Applied
- Yes, Received
- No
- No, but intends to apply

a. If yes, provide the FEMA project worksheet ID#:

b. Provide the total project cost listed on the FEMA project worksheet:
