

1. Project Title

The Florida Senate Local Funding Initiative Request Fiscal Year 2025-2026

Coral Gables Police Department Patrol Boat

LFIR # 1938

3. Date of Request 2/10/2025 4. Project/Program Description Given Coral Gables' extensive coastline, the acquisition of a patrol boat would provide the city's police department with enhanced capabilities to monitor and secure the city. This asset would be instrumental in detecting and preventing unauthorized maritime entries while also ensuring rapid response to emergencies on the water. The addition of this vessel would strengthen the city's ability to support state and federal operations focused on immigration enforcement and coastal security. 5. State Agency to receive requested funds State Agency contacted? No 6. Construction/Renovation/Land/ Planning Engineering		0
Total State Funds Requested (m	ust equal total from question #6)	455,000

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The purpose of the project is to protect the city, state, and country from the dangers of unauthorized migrant entries along Coral Gables' coastline.

b. What activities and services will be provided to meet the intended purpose of these funds?

The activities provided to meet the purpose of the funds will be the purchase and deployment of a patrol boat by the Coral Gables Police Department.

c. What direct services will be provided to citizens by the appropriation project?

The Florida Senate **Local Funding Initiative Request Fiscal Year 2025-2026**

LFIR # 1938

The services provided to the citizens will be protection against the dangers of unauthorized entries into the country through monitoring, detection, and intervention of suspect vessels in the Coral Gables' waterways.

d. Who is the target population served by this project? How many individuals are expected to be served?

The target population includes the city's residents, as well as the county's, state's, and the nation's as everyone is affected by the consequences of illegal immigration.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefits are listed in subsection c. After acquiring the patrol boat, the police department can provide data on increased patrolling capabilities, and the number of detections and interceptions of vessel carrying unauthorized migrants.

f What are the suggested penalties that the contracting agency may consider in addition to its standard penalties

	r failing to meet deliverables or performance measures provided for in the contract?	rits stariuaru peri
	The contracting agency may withhold project funds for non-performance by the city.	
4.	this project related to mitigation, response, or recovery from a natural disaster? No	
á	Yes, what phase best describes the project?	
	Mitigation (reducing or eliminating potential loss of life or property)	
	Response (addressing the immediate and short-term effects of a natural disaster)	
	Recovery (assisting communities return to normal operations, including rebuilding damaged in	nfastructure)
ŀ	lame of the natural disaster (or Executive Order # for events not under a federal declarati	on):
5.	s the entity applied for or received federal assistance for this project?
