13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The FL Youth Leadership, Mentoring and Character Education Program, Inc. is requesting to continue replication of Leon County's Tallahassee Chapter of The Links, Incorporated's nationally award winning youth leadership, mentoring and character education development program as a statewide pilot program in Leon, Pinellas and Volusia counties. This program promotes self-sufficiency, life skills, character development, childhood obesity prevention, cultural awareness and community service while also establishing community based mentors for high school students in grades 9 -12.

b. What activities and services will be provided to meet the intended purpose of these funds?

LFIR # 2130

Curriculum based instruction sessions, educational and cultural site visits and tours, mentoring sessions and childhood obesity prevention engagement will be provided as intended purpose of funds.

c. What direct services will be provided to citizens by the appropriation project?

Educational and life skills instruction, childhood obesity prevention and mentoring support for youth are the direct services that will be provided to citizens.

d. Who is the target population served by this project? How many individuals are expected to be served?

Target population is economically disadvantaged and at-risk high school students. Between 100 and 150 high school students are expected to be served.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Improved Physical Health through childhood obesity prevention and healthy lifestyles curriculum instruction and engagement in physical movement and exercise at each program session. Improved Mental Health through a life skills curriculum session. Enriched Cultural Experience through cultural presentation sessions, tours and involvement. Improve Quality of Education through high quality leadership and life skills development, cultural and character education curriculum sessions and exposure to the value and benefits of education. Enhanced economic self-sufficiency through exposure to education's impact on quality of life through curriculum sessions and activities. Criminal/Juvenile Justice System Diversion through a legal rights and responsibilities curriculum session, community mentors and coaching and encouragement. Benefits and outcomes will be measured through Attendance rosters, Student Evaluative Surveys, Parent Evaluative Surveys, Student Pre and Post Program Evaluations.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Performance penalties may include reduction in program appropriations commensurate with deliverable(s) not met or a repayment requirement.
