Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 2171

1. **Project Title**

2. **Senate Sponsor**

3. **Date of Request**

4. **Project/Program Description**

Recent emergencies have shown the need for a portable generator to support the Public Safety Operations Complex if its primary fixed generators fail. Additionally, the complex's drainage ponds are insufficient for heavy floodwaters, risking flooding of the facility. Currently, auxiliary pumps must be deployed and monitored 24/7 during these events, which is challenging during storms.

5. **State Agency to receive requested funds**

State Agency contacted?

6. **Amount of the Nonrecurring Request for Fiscal Year 2025-2026**

Type of Funding	Amount
Operating	0
Fixed Capital Outlay	1,500,000
Total State Funds Requested	1,500,000

7. **Total Project Cost for Fiscal Year 2025-2026 (including matching funds available for this project)**

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	1,500,000	100%

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Recent emergencies have shown the need for a portable generator to support the Public Safety Operations Complex if its primary fixed generators fail. Additionally, the complex's drainage ponds are insufficient for heavy floodwaters, risking flooding of the facility. Currently, auxiliary pumps must be deployed and monitored 24/7 during these events, which is challenging during storms.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 2171

Request funding to purchase a portable generator to provide additional electrical power during declared emergencies in case the primary power and current backup generators fail. This funding will also enable Hillsborough County to implement design improvements to the ponds, aiming to prevent flooding and reduce vulnerability.

c. What direct services will be provided to citizens by the appropriation project?

Funds will be used to purchase a 2000 kW portable generator for the Public Safety Operations Complex at 9405 Columbus Drive, which acts as Hillsborough County's Emergency Operations Center during emergencies. This funding will also support improvements to the ponds to prevent flooding and reduce vulnerability.

d. Who is the target population served by this project? How many individuals are expected to be served?

The proposed project will provide for improvement to the Emergency Operation Center for Hillsborough County.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Reduction in power outage duration at the PSOC in the event of a fixed generator failure. Track historical and post-implementation data on power loss incidents, measuring the duration of outages before and after the acquisition of the portable generator.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Failure to meet performance measures may lead to corrective action, contract termination, and/or forfeiture of funds.

14. Is this project related to mitigation, response, or recovery from a natural disaster?

a. If Yes, what phase best describes the project?

- Mitigation (reducing or eliminating potential loss of life or property)
- Response (addressing the immediate and short-term effects of a natural disaster)
- Recovery (assisting communities return to normal operations, including rebuilding damaged infrastructure)

b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):
