Fixed Capital Construction/Major Renovation:					
Construction/Renovation/Land/ Planning Engineering		0			
Total State Funds Requested (must equal total from question #6) 350,000					

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal of the IGNITE Entrepreneurship Center is to enhance efforts to develop an increasingly resilient and successful business community for west central Florida by offering a combination of certifications, classes, and entrepreneurship resources in addition to the first and only tourism business incubator in Florida.

b. What activities and services will be provided to meet the intended purpose of these funds?

LFIR # 2354

Launched in 2023, the IGNITE Entrepreneurship Center focuses on equipping businesses with the tools and resources they need to grow and scale sustainably. This space will be a one-stop shop offering resources and programming including a year-long incubator cohort, along with a pitch night event, a full calendar of bootcamps, workshops & seminars. From the devastation of Hurricane Helene and Hurricane Milton in 2024, the AMPLIFY Clearwater Chamber Foundation will offer Hurricane Resiliency workshops to businesses which could include Preparation & Risk Mitigation, Emergency Planning, Financial & Insurance Preparedness, Tech & Data Protection, Post-Hurricane Recovery, Networking & Community Support.

c. What direct services will be provided to citizens by the appropriation project?

Opportunity tor receive business support services for entrepreneurs. Opportunity for citizens to receive training allowing them to skill up in the workforce. Opportunity for apprenticeships and on the job training for students and adults. Provide ongoing support for our small business community.

d. Who is the target population served by this project? How many individuals are expected to be served?

Small business owners, entrepreneurs, middle school, high school and college students. Any person eligible to be employed and willing to be a member of the workforce.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Our specific measure of the benefit will be the number of individuals and businesses served through year round programming and resources. Through this program, ROI is tracked through entrepreneurial success (revenue growth, FTE increases, location expansion, etc.)

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

-	TBD with administering agency							
14. Is	4. Is this project related to mitigation, response, or recovery from a natural disaster? Yes							
a. I	a. If Yes, what phase best describes the project?							
	Mitigation (reducing or eliminating potential loss of life or property)							
\square	Response (addressing the immediate and short-term effects of a natural disaster)							
	Recovery (assisting communities return to normal operations, including rebuilding damaged infastructure)							
b . l	b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):							
Н	Hurricane Helene & Hurricane Milton							
15. H	5. Has the entity applied for or received federal assistance for this project?							
	☐ Yes, Applied							
	☐ Yes, Received							
\square	☑ No							
	□ No, but intends to apply							
a. I	a. If yes, provide the FEMA project worksheet ID#:							

b. Provide the total project cost listed on the FEMA project worksheet:
