13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

The goal of the project will be to reduce flooding, improve lighting, and deliver ADA-compliant sidewalks.

b. What activities and services will be provided to meet the intended purpose of these funds?

The funds will be used to deliver the improved city right of way which will include a widened and repaved roadway, drainage improvements, new LED streetlights, and ADA compliant sidewalks.

c. What direct services will be provided to citizens by the appropriation project?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 2451

Flooding conditions during the rainy season will improve as a result of the drainage improvements. Furthermore, the remaining improvements will contribute to less traffic congestion during peak hours as a result of the widening of the roadway. Public safety in the area will be augmented by the addition of LED lights.

d. Who is the target population served by this project? How many individuals are expected to be served?

The project will benefit the general population of the city.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Flooding conditions during the rainy season will improve as a result of the drainage improvements. Furthermore, the remaining improvements will contribute to less traffic congestion during peak hours as a result of the widening of the roadway. Public safety in the area will be augmented by the addition of LED lights.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

The City of Hialeah is willing to be bound by the standard penalties for breach of contract in the state of Florida. Furthermore, the city is willing to contemplate additional penalties the Department may propose.

14. Is this project related to mitigation, response, or recovery from a natural disaster? No

a. If Yes, what phase best describes the project?

- Mitigation (reducing or eliminating potential loss of life or property)
- Response (addressing the immediate and short-term effects of a natural disaster)
- Recovery (assisting communities return to normal operations, including rebuilding damaged infrastructure)

b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):

15. Has the entity applied for or received federal assistance for this project?

- Yes, Applied
- Yes, Received
- No
- No, but intends to apply

a. If yes, provide the FEMA project worksheet ID#:

b. Provide the total project cost listed on the FEMA project worksheet:

16. Has the entity applied for or received state assistance for this project (other than this request)?

- Yes, Applied
- Yes, Received
- No
