# The Florida Senate

## Local Funding Initiative Request

### Fiscal Year 2025-2026

**LFIR # 2465**

Funds will be spent for the design of the adaptive Re-use of Doral Arts District between NW 58 St and NW 54 St and between NW 87 Ave and NW 79 Ave.

**c. What direct services will be provided to citizens by the appropriation project?**

The Project includes roadway reconstruction, new sidewalks, parallel parking, storm-water drainage, bike lanes (where possible), and street lighting. This will increase pedestrian safety and will also serve as a mitigation initiative to help prevent flood related losses.

**d. Who is the target population served by this project? How many individuals are expected to be served?**

General (The funds will be benefitting no specific group). Doral residents and commercial area constituents and clients.

**e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?**

Prevent/minimize flooding and ponding along roadway segment. Installation of street lighting and sidewalk installation. Flooding and ponding are not visible during major storms. Increase light for visibility and pedestrian safety. Minimize congestion by roadway widening and provide alternative transportation via bike paths. Decrease of traffic congestion and increase of bicycle traffic.  
Adaptive Re-Use is to improve the conditions of the Doral Arts District to increase tourism for locals.

**f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?**

Liquidated damages will be included in the contract documents. Liquidated damages will be based on construction cost.

**14. Is this project related to mitigation, response, or recovery from a natural disaster?**

**a. If Yes, what phase best describes the project?**

- Mitigation (reducing or eliminating potential loss of life or property)
- Response (addressing the immediate and short-term effects of a natural disaster)
- Recovery (assisting communities return to normal operations, including rebuilding damaged infrastructure)

**b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):**

**15. Has the entity applied for or received federal assistance for this project?**

- Yes, Applied
- Yes, Received
- No
- No, but intends to apply

**a. If yes, provide the FEMA project worksheet ID#:**

**b. Provide the total project cost listed on the FEMA project worksheet:**

**16. Has the entity applied for or received state assistance for this project (other than this request)?**
