LFIR # 2515

Remodel to accommodate specialized classrooms and labs such as human patient simulation for EMT/Paramedic and defensive tactics and virtual reality training for law enforcement and corrections officers.

c. What direct services will be provided to citizens by the appropriation project?

Graduates of the programs will be better trained as first responders to address the needs of our community. An updated learning environment will attract more students seeking to be trained as law enforcement and corrections officers, EMTs and Paramedics.

d. Who is the target population served by this project? How many individuals are expected to be served?

The Training Center will serve 240 law enforcement recruits, 70 corrections students and 250 EMT/Paramedic students. The resulting graduates, who are mostly employed locally, will serve the entire population of Volusia and Flagler counties.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

More enrollment in these programs and better trained first responders. This can be measured by enrollment and licensure pass rates of graduates.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Reversion of funds.

14. Is this project related to mitigation, response, or recovery from a natural disaster?

a. If Yes, what phase best describes the project?
