2.	Senate Sponsor	Corey Simon						
3	Date of Request	3/6/2025						
	•							
4.	Project/Program De	escription						
	This lift station is in dire need of new control panels and all internal components. The City has been experiencing system failures at this site due to its conditions. If the project is funded, it will ensure that during normal activity usage and during power outages, the system will continue to function as designed. As a result, no contaminants will be released into the surrounding areas. The lift station is located in the Mosquito Creek basin area which flows into the Apalachicola River.
