Expense/Equipment/Travel/Supplies/ Other		0		
Consultants/Contracted Services/Study		0		
Fixed Capital Construction/Major Renovation:				
Construction/Renovation/Land/ Planning Engineering	Contractual construction services for safety and code improvements Contractual architectural/engineering & Administrative Services.	2,500,000		
Total State Funds Requested (must equal total from question #6)				

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

To provide cultural experiences in an undeserved community in a safe, up to current code, City owned facility for citizenry, residents, visitors, businesses & surrounding areas to attend/host local & state wide programs/concerts/performances & events, etc. Safety improvements include ADA accessibility, fire safety regulations, sprinkler system, fire rated curtain, replacing original rope and weight fly system, electrical & lighting upgrades, etc. Financially disadvantaged municipality located in a Rural Area of Opportunity.

b. What activities and services will be provided to meet the intended purpose of these funds?

LFIR # 3248

Seeking contractual services for architectural/engineering, administrative and construction services through the city's procurement policies.

c. What direct services will be provided to citizens by the appropriation project?

Citizens will have a safe place that is up-to-code to host/use/attend cultural art, educational programs, theatre productions, performances, plays, etc. Provides for protection of life, health & safety issues, ADA compliance regulations addressed.

d. Who is the target population served by this project? How many individuals are expected to be served?

Target population in this financially disadvantaged community that is located in a Rural Area of Opportunity to be served includes citizenry, residents, visitors, general public, and the business community. Population expected to be served exceeds 25,000.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

A safe facility that meets current building and fire safety codes, including ADA compliance requirements; appropriate electrical and lighting improvements to host local theatre productions, cultural events, and activities; and attractions for business community that will enrich cultural experience and promote with education. Improve quality of education by providing youth, students, elderly, general public, residents, and visitors with a venue for educational and informational events by agribusinesses and the community; allows for citizenry, children and youth to experience and participate in arts productions, cultural events, activities, etc.; creates employment opportunity; potential to draw from surrounding communities; region-wide population availability; increase in revenues/tourism. Documentation of performance data, surveys, tracking of rentals, revenues, etc.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Contractual milestones established throughout project, implementation of corrective action plan, non-payment of invoices until milestones completed.

9.11	
1. Is t	his project related to mitigation, response, or recovery from a natural disaster? No
a. If	Yes, what phase best describes the project?
	Mitigation (reducing or eliminating potential loss of life or property)
	Response (addressing the immediate and short-term effects of a natural disaster)
	Recovery (assisting communities return to normal operations, including rebuilding damaged infastructure)
b. N	ame of the natural disaster (or Executive Order # for events not under a federal declaration):
5. Has	s the entity applied for or received federal assistance for this project?
	Yes, Applied
	res, Received
□ 1	No
1	No, but intends to apply
a. If	yes, provide the FEMA project worksheet ID#:
