

LFIR # 3255

1. Project Title Bowling Green - Emergency Generator for Wastewater Treatment Plant

2. Senate Sponsor Ben Albritton

3. Date of Request 2/10/2025

4. Project/Program Description

Purchase and installation of a new emergency generator to power the City's wastewater treatment facility (all components). The existing generator at this facility is undersized and is beyond its useful life and cannot be cost-effectively improved. The generator would ensure the City can reliably provide wastewater treatment for their customers during power outages.

5. State Agency to receive requested funds

Department of Environmental Protection

State Agency contacted? No

6. Amount of the Nonrecurring Request for Fiscal Year 2025-2026

Type of Funding	Amount
Operating	0
Fixed Capital Outlay	315,000
Total State Funds Requested	315,000

7. Total Project Cost for Fiscal Year 2025-2026 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	315,000	100%
Matching Funds		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	0	0%
Other	0	0%
Total Project Costs for Fiscal Year 2025-2026	315,000	100%

8. Has this project previously received state funding? If yes, provide the most recent instance:

Fiscal Year	Amount		Specific	Vetoed
(уууу-уу)	Recurring	Nonrecurring	Appropriation #	
2024-25	0	0		No

9. Is future-year funding likely to be requested?

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

Complete questions 10 and 11 for Fixed Capital Outlay Projects

Yes

No

The Florida S Local Funding Initia Fiscal Year 202	tive Request	LFIR # 3255
 IO. Status of Construction a. What is the current phase of the project? Planning O Planning N/A 	4	
b. Is the project "shovel ready" (i.e permitted)?	No	
c. What is the estimated start date of construction?	02/20/2026	
d. What is the estimated completion date of construction?	02/23/2026	
e. What funding stream will be used for ongoing operations	and maintenance of the project?	
Revenue from City of Bowling Green Utilities		

11. List the owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Local Government (City of Bowling Green)

12. Details on how the requested state funds will be expended

Spending Category	Description	Amount
Administrative Costs:		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/ Other		0
Consultants/Contracted Services/Study		0
Operational Costs		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/ Other		0
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Majo	r Renovation:	
Construction/Renovation/Land/ Planning Engineering	Engineering, bidding, and installation construction of new emergency generator for City of Bowling Green's wastewater treatment facility.	315,000
Total State Funds Requested (must equal total from question #6)		

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

Emergency backup power for the City's wastewater treatment facility to ensure wastewater treatment is not lost during power outages.

b. What activities and services will be provided to meet the intended purpose of these funds?

Engineering, bidding, and construction installation of a new generator at the City's wastewater treatment facility.

c. What direct services will be provided to citizens by the appropriation project?

Emergency power at the City's wastewater treatment facility.

d. Who is the target population served by this project? How many individuals are expected to be served?

City of Bowling Green, whose population is 2,405 persons based on 2020 U.S. Census. Almost all of the City of Bowling Green's residents are connected to its central sewer system and ultimately to its wastewater treatment facility.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

The benefit of this project is emergency backup power for the City's wastewater treatment facility. This benefit will be measured via successful startup and testing of the proposed new emergency generator at the City's wastewater treatment facility.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Appropriation payment requests would not be paid if construction of project is not completed.

14. Is this project related to mitigation, response, or recovery from a natural disaster? No

a. If Yes, what phase best describes the project?

- □ Mitigation (reducing or eliminating potential loss of life or property)
- **Response (addressing the immediate and short-term effects of a natural disaster)**
- Recovery (assisting communities return to normal operations, including rebuilding damaged infastructure)

b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):

15. Has the entity applied for or received federal assistance for this project?

- □ Yes, Applied
- □ Yes, Received
- 🗆 No

□ No, but intends to apply

a. If yes, provide the FEMA project worksheet ID#:

b. Provide the total project cost listed on the FEMA project worksheet:

16. Has the entity applied for or received state assistance for this project (other than this request)?

- □ Yes, Applied
- □ Yes, Received
- 🗆 No
- □ No, but intends to apply

a. If yes, specify the program and state agency (ex. Local Government Emergency Bridge Loan, Department of Commerce):

Please complete questions 17 through 21 for Water Projects only.

17. Have you been awarded or applied for alternative state funding for this project?

- □ Water Quality Improvement Grant Program
- Resilient Florida Grant Program
- U Wastewater Revolving Loan
- Drinking Water Revolving Loan
- □ Small Community Wastewater Treatment Grant
- □ Other (please specify, ex. Alternative Water Supply Grants)
- ☑ N/A

18. What is the population economic status?

- □ Financially Disadvantaged Community (ch. 62-552, F.A.C)
- □ Financially Disadvantaged Municipality (ch. 62-552, F.A.C)
- Rural Area of Economic Concern
- □ Rural Area of Opportunity (s. 288.0656, Florida Statutes)
- D N/A

19. What is the status of construction?

Not ready, only planning of project completed.

20. What percentage of the construction has been completed?

0%

21. What is the estimated completion date of construction?

12/31/2026
