LFIR # 3402

c. What direct services will be provided to citizens by the appropriation project?

Students cultivate gardens, tend animals and harvest food, gaining skills in agriculture, ecology, and nutrition. The program fosters responsibility, teamwork, and environmental stewardship while promoting healthy eating. By merging home schooling with urban farming. Nourish Florida empowers children to become knowledgeable, compassionate stewards of the earth and their communities

d. Who is the target population served by this project? How many individuals are expected to be served?

At-risk youth; preschool students; grade school students; high school students. Target population served is greater than 800.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Benefit: This project will allow students to gain practical knowledge, with at least 80% demonstrating proficiency in key agricultural skills (composting, crop rotation) after a structured curriculum. Method: Track total produce yield before and after program participation. Benefit: Increase hand-on learning engagement, with students actively participating in urban farming. Method: Comparison of participation rates in experiential learning activities before and after joining the program.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

CFBI will adhere to deliverables and/or if performance measures are not met, the penalty should be to discontinue funding.

14. Is this project related to mitigation, response, or recovery from a natural disaster?

a. If Yes, what phase best describes the project?

- Mitigation (reducing or eliminating potential loss of life or property)
- Response (addressing the immediate and short-term effects of a natural disaster)
- Recovery (assisting communities return to normal operations, including rebuilding damaged infrastructure)

b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):

15. Has the entity applied for or received federal assistance for this project?

- Yes, Applied
- Yes, Received
- No
- No, but intends to apply

a. If yes, provide the FEMA project worksheet ID#:

b. Provide the total project cost listed on the FEMA project worksheet:

16. Has the entity applied for or received state assistance for this project (other than this request)?
