LFIR # 3403

c. What direct services will be provided to citizens by the appropriation project?

Students learn to grow fresh, sustainable produce while advocating for equitable food access. The program fosters leadership, sustainability, and community engagement, equipping future change makers to address food insecurity and promote a resilient, just local food system.

d. Who is the target population served by this project? How many individuals are expected to be served?

Elderly persons; persons with poor physical health; jobless persons; economically disadvantaged persons; at-risk youth; preschool students; grade school students; high school students. Target population greater than 800.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Benefit: Educate the general public about the health benefits of eating healthy. Measure: Survey of participants in the Nourish Florida community food distributions to determine their knowledge on health benefits. Benefit: Alleviate food insecurity thereby reducing potential choices between medicine or/and food and making good health choices. Measure: Interactive training demonstrations, food harvesting, educational activities related to health.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

CFBI will adhere to deliverables and/or if performance measures are not met, the penalty should be to discontinue funding.

14. Is this project related to mitigation, response, or recovery from a natural disaster? No

a. If Yes, what phase best describes the project?

- Mitigation (reducing or eliminating potential loss of life or property)
- Response (addressing the immediate and short-term effects of a natural disaster)
- Recovery (assisting communities return to normal operations, including rebuilding damaged infrastructure)

b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):

15. Has the entity applied for or received federal assistance for this project?

- Yes, Applied
- Yes, Received
- No
- No, but intends to apply

a. If yes, provide the FEMA project worksheet ID#:

b. Provide the total project cost listed on the FEMA project worksheet:

16. Has the entity applied for or received state assistance for this project (other than this request)?

- Yes, Applied
