

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 3487

1. Project Title

2. Senate Sponsor

3. Date of Request

4. Project/Program Description

The City of West Melbourne has been working on a significant flood-risk reduction project in the C69 and C70 canals. The project involves bypassing and/or replacing a series of downstream culverts that have been found, through engineering study including topographical survey, to restrict gravity flow of stormwater, thereby reducing the effectiveness of the stormwater system to convey water during storm events.

5. State Agency to receive requested funds

State Agency contacted? No

6. Amount of the Nonrecurring Request for Fiscal Year 2025-2026

Type of Funding	Amount
Operating	0
Fixed Capital Outlay	650,000
Total State Funds Requested	650,000

7. Total Project Cost for Fiscal Year 2025-2026 (including matching funds available for this project)

Type of Funding	Amount	Percentage
Total State Funds Requested (from question #6)	650,000	50%
Matching Funds		
Federal	0	0%
State (excluding the amount of this request)	0	0%
Local	650,000	50%
Other	0	0%
Total Project Costs for Fiscal Year 2025-2026	1,300,000	100%

8. Has this project previously received state funding? Yes

If yes, provide the most recent instance:

Fiscal Year (YYYY-YY)	Amount		Specific Appropriation #	Vetoed
	Recurring	Nonrecurring		
2024-25	0	400,000	1986	No

9. Is future-year funding likely to be requested? No

a. If yes, indicate nonrecurring amount per year.

b. Describe the source of funding that can be used in lieu of state funding.

Complete questions 10 and 11 for Fixed Capital Outlay Projects

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 3487

10. Status of Construction

a. What is the current phase of the project?

- Planning
 Design
 Construction
 N/A

b. Is the project "shovel ready" (i.e permitted)? Yes

c. What is the estimated start date of construction? 11/1/2025

d. What is the estimated completion date of construction? 9/30/2026

e. What funding stream will be used for ongoing operations and maintenance of the project?

City of West Melbourne and Melbourne-Tillman Water Control District maintenance operations.

11. List the owners of the facility to receive, directly or indirectly, any fixed capital outlay funding. Include the relationship between the owners of the facility and the entity.

Melbourne-Tillman Water Control District and City of West Melbourne. Canal 69 and Canal 70 are within the West Melbourne City Limits but are owned and maintained by the Melbourne-Tillman Water Control District.

12. Details on how the requested state funds will be expended

Spending Category	Description	Amount
Administrative Costs:		
Executive Director/Project Head Salary and Benefits		0
Other Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Operational Costs		
Salary and Benefits		0
Expense/Equipment/Travel/Supplies/Other		0
Consultants/Contracted Services/Study		0
Fixed Capital Construction/Major Renovation:		
Construction/Renovation/Land/Planning Engineering	The project involves construction to bypass and/or replace a series of downstream culverts to improve natural gravity flow of stormwater through the C69 and C70 canals.	650,000
Total State Funds Requested (must equal total from question #6)		650,000

13. Program Performance

a. What specific purpose or goal will be achieved by the funds requested?

To fund a key project identified in the city's 2012 stormwater management plan providing substantial flood-risk reduction for over 547 homes in the city's Westbrooke subdivision located between Minton Road and Hollywood Blvd. and bisected by Wingate Blvd. while additionally providing modest flood-risk reduction to hundreds of properties serviced by the Melbourne-Tillman Water Control District.

b. What activities and services will be provided to meet the intended purpose of these funds?

The Florida Senate

Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 3487

The project involves construction to bypass and/or replace a series of downstream culverts to improve natural gravity flow of stormwater through the C69 and C70 canals.

c. What direct services will be provided to citizens by the appropriation project?

Stormwater management.

d. Who is the target population served by this project? How many individuals are expected to be served?

Over 547 homes in the city's Westbrooke subdivision located between Minton Road and Hollywood Blvd. and bisected by Wingate Blvd. while additionally providing modest flood-risk reduction to hundreds of properties serviced by the Melbourne-Tillman Water Control District.

e. What is the expected benefit or outcome of this project? What is the methodology by which this outcome will be measured?

Reduction of risk of flooding from standard 25 year and 100 year model storms. Methodology for measuring success will be based on before and after model runs prepared by a registered Florida civil engineer.

f. What are the suggested penalties that the contracting agency may consider in addition to its standard penalties for failing to meet deliverables or performance measures provided for in the contract?

Financial penalties for failure to meet deliverables.

14. Is this project related to mitigation, response, or recovery from a natural disaster?

a. If Yes, what phase best describes the project?

- Mitigation (reducing or eliminating potential loss of life or property)
- Response (addressing the immediate and short-term effects of a natural disaster)
- Recovery (assisting communities return to normal operations, including rebuilding damaged infrastructure)

b. Name of the natural disaster (or Executive Order # for events not under a federal declaration):

15. Has the entity applied for or received federal assistance for this project?

- Yes, Applied
- Yes, Received
- No
- No, but intends to apply

a. If yes, provide the FEMA project worksheet ID#:

b. Provide the total project cost listed on the FEMA project worksheet:

16. Has the entity applied for or received state assistance for this project (other than this request)?

- Yes, Applied

Local Funding Initiative Request

Fiscal Year 2025-2026

LFIR # 3487

- Yes, Received
- No
- No, but intends to apply

a. If yes, specify the program and state agency (ex. Local Government Emergency Bridge Loan, Department of Commerce):

Please complete questions 17 through 21 for Water Projects only.

17. Have you been awarded or applied for alternative state funding for this project?

- Water Quality Improvement Grant Program
- Resilient Florida Grant Program
- Wastewater Revolving Loan
- Drinking Water Revolving Loan
- Small Community Wastewater Treatment Grant
- Other (please specify, ex. Alternative Water Supply Grants)
- N/A

18. What is the population economic status?

- Financially Disadvantaged Community (ch. 62-552, F.A.C)
- Financially Disadvantaged Municipality (ch. 62-552, F.A.C)
- Rural Area of Economic Concern
- Rural Area of Opportunity (s. 288.0656, Florida Statutes)
- N/A

19. What is the status of construction?

Phase 1 construction starting in April 2025

20. What percentage of the construction has been completed?

0

21. What is the estimated completion date of construction?

9/30/2026
